Re: Approval of Variances

Dear Ms. Myerchin:

I approve your May 11, 2018 request for WBI Energy Transmission, Inc. (WBI Energy) to install an additional mainline valve on the west side of the planned Fargo-Moorhead Area Diversion Channel crossing at approximate milepost 31.1. Your request is in compliance with Environmental Condition 5 of the Commission's February 15, 2018 *Order Issuing Certificate* (Order) in the above-referenced docket. WBI Energy has demonstrated landowner concurrence, and no additional federal authorizations are necessary.

I remind you that WBI Energy must comply with all applicable remaining terms and conditions of the Order. If you have any questions regarding this approval, please contact me at (202) 502-8327.

Sincerely,

Robin W. Griffin
Environmental Project Manager
