Updated Landowner List
Docket No. CP17-257-000

Dear Ms. Bose:

WBI Energy Transmission, Inc. (WBI Energy), pursuant to Section 157.6(d)(5) of the Federal Energy Regulatory Commission’s (Commission) regulations, respectfully submits for filing an updated list of affected landowners for its Valley Expansion Project (Project).

As with the original landowner list filed on April 26, 2017, in the above referenced docket, WBI Energy requests privileged treatment of this information, which is labeled: “CUI//PRIV.” Additionally, as of this filing date, only one landowner notice was returned as undeliverable. Upon further review, a correct address was found and notification was sent to the landowner. WBI Energy will continue to update the landowner list if any further undeliverable returned notices are received and provide such updates to the Commission as they become available.

As a courtesy, WBI Energy is also providing an updated Project stakeholder list. The information contained in the stakeholder list is public.

Any questions regarding this filing should be addressed to the undersigned at (701) 530-1563.

Sincerely,

/s/ Lori Myerchin
